

[Bescherelle - Write from Dictations](#)

Here you can listen to short audio recordings in French and fill in the correct words to complete the text. This is an excellent way to combine practising listening and writing skills in French.

[Orthonet.sdv - Text Corrections](#)

This service from Orthonet allows you to send in your own French text to be corrected. The writing must meet a certain level of quality for it to be corrected. You can find more information about the service on the website.

[Bescherelle - Practise Writing French](#)

On this website you can complete writing exercises to improve your knowledge of French spelling and sentence construction. Choose one of the links under "Orthographe" to get to the exercises.
