

Online conjugation trainers

[Linguello - High-Quality Conjugation Trainer](#)

To use this tool you will need to complete a free registration, but it's worth it! Linguello offers a clear and structured way to practise conjugating verbs and tenses that you choose individually.

[Logosconjugator - Targeted Practise](#)

This trainer allows you to practise conjugating a large number of French verbs. Use the filter function to choose which tenses you would like to be quizzed on.

Freeware conjugation trainers for download

[Verbentrainer - Memorise Conjugations \(Windows\)](#)

Use the integrated verb bank in the program or create your own set of verbs by clicking on "VerbenBearbeiten". This program lets you practise and memorise verb conjugations effectively and efficiently.

[Coniuno - Effective Verb Training \(Windows\)](#)

The best feature of Coniuno is its comprehensive verb tables, which are accessible by a quick click on the flags in the menu bar. The language combination can be changed at any time during the conjugation exercise.
