

## Online vocabulary trainers

### [Linguello - High-Quality Vocabulary Builder](#)

With this excellent vocabulary trainer you benefit from a proven method (6-fold repetition) that guarantees that your chosen vocabulary will remain in your long-term memory! To use Linguello you will need to register an account – but this is free and worth the extra step!

### [PONS Vocabulary Trainer - Targeted Vocabulary Expansion](#)

The PONS Vocabulary Trainer provides you with many different ways to practise vocabulary. You can add your own individual word lists or practise words you've looked up in the PONS Dictionary. To train and manage your vocabulary lists, you will need to complete a free registration.

### [Quizlet - Simple Vocabulary Practice](#)

On this learning site you can find a large number of exercises for learning vocabulary. You can listen to the pronunciation of each word by clicking on it. The vocabulary sets are created by users and are not reviewed by the Quizlet team.

## Freeware vocabulary trainers for download

### [Anki - Digital Flash Cards \(Windows, Mac, Linux, iPhone, Android\)](#)

A highly recommendable OpenSource vocabulary trainer with a number of useful features like speech recording, keyboard shortcuts, and the integration of images, video and audio. Use one of the many existing lessons that can be downloaded within the program. To synchronise this program with your mobile devices, you will need to register a free account.

### [Teachmaster - Basic Vocabulary Trainer \(Windows\)](#)

An easy-to-use vocabulary trainer that you can use offline and for free. In the "Quiz" section you can choose from five different types of vocabulary exercises.

### [gnuVocabTrain - Vocabulary Quiz and Memory \(Windows, Linux, Mac\)](#)

This simple but effective vocabulary trainer is well-suited to help you create your own word lists and practise them. In addition, you can use the memory game to reinforce the vocabulary.

### [Simpliciter - Simple Vocabulary Practise \(Windows, Linux\)](#)

You can practise new vocabulary in several simple ways using Simpliciter. Choose between three different forms of exercise: a standard quiz of your inputted vocabulary, a writing exercise, or a puzzle.

### [VTrain Free - Basic Vocabulary Trainer](#)

This classic vocabulary trainer provides a number of features and unlimited use of the free version. On the website you can download existing vocabulary sets. The user interface is a bit dated, but the application is still valuable.
